Beam Angle

Glory Post Top Light is High quality LED round shape post top light. It is die cast aluminum body, powder coating and spray lacquer electrostatic anti-aging. This anodized aluminum reflector is protected by a tempered glass which gives it great resistance to corrosion. This luminaire is perfectly designed to be installed vertically in rods of 593 mm in diameter. The specification grade Catapult LED Post Top Light Fixture is designed to work in building perimeter areas and public spaces to compliment a wide variety of architectural styles. LED Area Lights provide high light efficiency with varying light distributions. Outdoor Post Lights create a nostalgic atmosphere and are best applied in parking lots, plazas, shopping malls, gardens, roadways, and areas with pedestrian activity.
