

Kelvin

2700K – warm white, similar to incandescent bulb
 3000K – soft white, similar to halogen bulb
 4000K – bright white, similar to fluorescent lighting
 5000K – daylight, very bright & similar to sunlight
 6000K – cool white, blue tinted, like a monitor

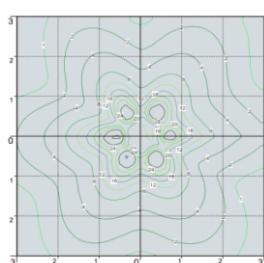

Lanterno greet guests with a warm and welcoming glow before you even reach the front door with this hanging lantern, perfect for the porch or patio. Designed to live outdoors, this luminary is constructed from weather-resistant cast aluminum that won't mind UV light or rain. Its frame is traditional with molded details and a turned finial down below, while a single light inside is highlighted by a clear glass shade.
