

Kelvin

2700K – warm white, similar to incandescent bulb
3000K – soft white, similar to halogen bulb
4000K – bright white, similar to fluorescent lighting
5000K – daylight, very bright & similar to sunlight
6000K – cool white, blue tinted, like a monitor

Lanterno III greet guests with a warm and welcoming glow with wall lantern light, perfect for the porch or patio. Designed to live outdoors, this luminary is constructed from weather-resistant cast aluminum that won't mind UV light or rain. Its frame is traditional with molded details and a turned finial down below, while a single light inside is highlighted by a clear glass shade.
