

Meva LED Spot Light Discreet, curvy & colourful. Meva evokes minimalism, surprise and technology all at once. Subtle curves, slightly revealing colours, high-quality lens and LED. With its deep-recessed and glare-free light source, Astro's clean and seamless execution makes it a quiet, functional observer for high-end residential or hospitality settings. This versatile, elegant architectural spot light will bring pure form, definition and quality light to any space without stealing all the attention.
