

Obiza is a spike light, with an essential and complementary shape, plus an LED source. Optical unit with convex extra clear glass lens, this for smoothing the light beam. Aluminum lacquered cases with high-resistance varnish, colors are available in an extra matte finish, perfect for all contemporary living spaces. Obiza is extremely minimal if used on its own, but it can become extremely spectacular if combined in multiple compositions, playing with the various available shapes. Fastening is not limited to a pre-set point, but it can change according to the installer's needs.

## Description

**Housing** - 304 Stainless Steel Cover& Body, PC Embedded Plastic Box  
**Diffuser** - Clear tempered glass  
**Reflector** - Aluminium Reflector  
**Color Available** - Gray / Black / Single Color  
**Lifespan** - >30,000 Hours  
**Voltage** - 12V, 24V, 220V  
**Working Temperature** - 3000K ±150K >80  
**IP Rating** - 67

Item Code	Power	Lamp	Lumen	Dimensions
