

The Callista meets the need for scenic and flexible, as well as discreet, larger scale illumination in a range of applications from public parks, urban squares, city centres and ocean fronts. The aesthetic design has the same subtle sculptural appearance, complementing both modern and classic urban spaces. Callista is high quality LED Chips. Driver with 0-10V/DALI/Programmed options, and with surge protections up to 20KV. Based on the same design language and basic idea, one single asymmetric carving opens up for the light. The distinctive carving gives the luminaire character, while also serving as a dimming reflector, softening the light and making it more pleasant in the dark of night, while also directing it precisely where needed.

Description

Housing - Die Cast Cover and Extruded Aluminum

Diffuser - Tempered Glass Diffuser

Color Available - Black, Gray, Any RAL Color

Lifespan - >100,000 Hours (L90 B10)

Voltage - AC100-240V

IP Rating - 66

IK - 08

Item Code	Power	Lamp	Lumen	Dimensions
LP-GDL318018-120	1X20W	LED	2400lm	A168 X B2000mm
LP-GDL318018-220	2X20W	LED	4800lm	A168 X B2700mm
